

Parent Partnerships at Westwood Park School

We always have lots of parents accompanying us on trips.

Each half term we hold a PRIDE morning where parents come into school with their child for a special lesson.

Parents are always invited to join us for our singing assemblies, celebration assemblies and our special events assemblies.

Each term we have a music concert where every class performs and parents are invited to attend.

We hold competitions and exhibitions through the year showcasing project work that has been completed with parents.

Our annual Dad's Dinner is always popular where we invite our dads to have a school dinner and play with us at lunch time!

On Pet Day, our parents bring our pets in for our friends to see.
