**Headteacher Messages**

**Welcome Back:** We have had a lovely first week back at school. We have had more repair and painting work completed over the holidays and school is starting to look really good!

**Salford's 100<sup>th</sup> Birthday** All of Year 3, 4 and 5 visited Cleavley's Athletics Track this week to celebrate the city of Salford turning 100 years old. It was a lovely event, organised by our own Mrs Foster. Thank you to all the parents who supported us.

**Attendance** Our whole school attendance has improved this week- thank you so much. Mrs Lamb and I have emailed you some reports with your own child's attendance figures on it. You need to enter your child's date of birth to read the report. 96% or above is considered good attendance. Any lower than that and your child has missed too much learning.

**Lunch Menu/ SEND adaptations** Earlier in the week I emailed the new summer lunch menu and a child friendly version of the same menu. We are proud to be making tailored adaptations for those children who face challenges with texture, taste, smell or colour. It is a neurodivergent friendly approach. Plus we just want children to eat!

**Westwood Wraparound and our NEW Breakfast Club:**

Our new FREE breakfast club started on Monday. Numbers have grown through the week but we want more children to come. It starts at 8:15am and we will look after your child from then. However, we want to feed as many children as possible and you don't have to come at 8:15am. Just grab food from the hall on your way in to school. We serve lots of hot and cold options. There's a video here about the club if you want to find out what it is about. Remember our paid for service, Westwood Wraparound, is still operating but now we open our doors at 7:15am.

**Maths** We have had a specialist teacher come in to school this week to support us with our Maths teaching. We were lucky to get some funding for it and she is helping us to develop the use of maths manipulatives in Key Stage 2.

**Governors** Our Governors attended a meeting this week about the green building at the front of school. I am hoping we will be making some improvements to our office/ entrance area soon.

**Autism** I have attached a flyer about a free autism for parents course on Tuesday at Buile Hill.
